## Facilitators of the event Dr. Aman Bharti and Dr. Kish Kumar

### Dr Aman Bharti

Dr Aman Bharti BDS(London) MFGDP(UK) MJDFRCS Dip Rest. Dent. Aman is the owner of Headrow Dental, a multi award winning private practice in Leeds City. Passionate about aesthetic dentistry and occlusal studies, Aman is the lead tutor on the Headrow Academy Restorative programme. His particular area of interest is crown and veneer work using the B.O.P.T. preparation technique. Aman has been involved in teaching for many years as a foundation trainer and a mentor for the MJDF Diploma.

### Dr Kish Kumar

Dr Kish Kumar BDS PGCert (implantology). PGCert (sedation) MSc(Dist) Dental Specialities – Dental Implantology.

Kish has vast experience in implant dentistry with his main interest lying in full mouth reconstruction and grafting using the latest implant technologies. Kish has been implantology for several years as mentor and tutor for the MSc program at the University of Manchester. He is the lead tutor of the Headrow Academy Implant programme.

# ABSTRACT |

The event will be an astounding opportunity to explore some of the most advanced and innovative concepts in dentistry. Cutting edge and highly aesthetic oriented techniques will be introduced to the local dental community, analyzed and discussed. Such techniques, like B.O.P.T., represent a turning point in terms of soft tissue management and long-term aesthetic results.
