SPEAKER |

Dr. Amir Ahmadi, DDS

Dr. Amir Ahmadi is a Graduate of the University of California, San Diego, and he received his dental degree from the New York University College of Dentistry. He has completed advanced surgical training at the New York University, where he received a Specialty Certificate in Periodontology and Implantology.

Dr. Ahmadi's work focuses primarily on comprehensive dental reconstruction and aesthetic dentistry. His practice philosophy emphasizes an individual evidence-based approach to dental treatment, while advocating for his patients' overall well-being. He empowers his patients to better their lives by helping them to achieve optimal oral health, function and aesthetics. He is a member of the American Board of Periodontology.

Dr. Ahmadi practices in midtown Manhattan in a multi-specialty dental practice. Dr. Ahmadi enjoys being a dad to his 10 year old son Rik.

SPONSOR |

Dr. Maria Dona DMD, MSD, DMSc

Dental Degree and residency in general dentistry in 2002 in Romania
Master of Science Degree in Oral Biology, Boston University; Certificate in Periodontology and Implantology, Doctor of Medical Science degree in Oral Biology and DMD degree at the Harvard School of Dental Medicine

Diplomate of the American Board of Periodontology

Actively involved in basic and clinical research; author and co-author of numerous papers as well as a book in clinical periodontology, Dr Dona has presented her work at several dental conferences.

Active member of several professional associations including the American Academy of Periodontology, Academy of Osseointegration, Harvard Odontological Society, American Academy of Dental Sciences and Academy of Laser Dentistry. She is also a member of the American Dental Association, the Massachusetts Dental Society and its constituent organizations, including the Merrimack Valley District Dental Society.

Andover **P**eriodontics

As a recipient of a "Ten Under 10" award by the Massachusetts Dental Society in 2014, Dr. Dona was recognized as one of the top ten dentists in the state of Massachusetts, who have been in practice fewer than ten years, for her significant contribution to the profession and excellence in both dental care and service to our dental community.

She is committed to integrating her research and clinical experience with the latest procedures and technologies to continually advance in the periodontal and implant fields

Owner of Andover Periodontics
